1. WELCOME MESSAGE

1.1 FOREWORD BY THE WKF PRESIDENT

The 2026 World Cadet, Junior & U21 Championships, to be held in Bielsko-Biala, Poland, from October 14 to 18, represent the biggest celebration of youth karate. This event brings together hundreds of young athletes from all continents and truly reflects the global popularity of karate at young ages. Every edition confirms that karate continues to grow, inspire, and unite new generations around the world, especially among youngsters, and the 2026 event will not be an exception.

This championship clearly showcases the many values of karate. Respect, discipline, effort, and fair play are present in every bout and every category.

The passion and commitment of these young athletes remind us why karate has such a strong appeal among youth as their performances make us proud and give us full confidence in the bright future of our sport.

After the successful 2024 edition in Venice-Jesolo, the championships now travel to another important hub of international karate: Bielsko-Biala. The city is home to one of the most prestigious tournaments in Europe, the Polish Open, and has proven its organisational excellence on many occasions, including the memorable karate competition of the 2023 European Games, and the the fantastic 2025 EKF Cadet, Junior & U21 Championships.

I would like to sincerely thank the Polish Karate Union and its President, Pawel Poltorzecki, for their outstanding disposition and courage in hosting one of the most important karate events of the year. The Polish Karate Union is one of the most professional and engaged national federations, as it has consistently demonstrated over recent years, and I am confident that this event will be an even greater celebration of the excellence of karate.

I wish all athletes, coaches, officials, and supporters a successful and memorable championship in Poland.

1. WELCOME MESSAGE

1.2. GREETING FROM MAYOR OF BIELSKO-BIAŁA

Ladies and Gentlemen,

The year 2026 is a special one for Bielsko-Biała. Since January, we have proudly held the title of the Polish Capital of Culture. This is a great distinction for our city, but above all, it is proof that we are fully comparable to the world's major urban centers.

This is further confirmed by the fact that Bielsko-Biała is increasingly hosting international, prestigious sporting events, the best example of which is the World Karate Championships for Cadets, Juniors, and U21 athletes.

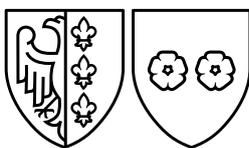

It would hardly be an exaggeration to say that our city thrives not only on culture, but also on sport. Suffice it to say that nearly five thousand athletes train on a daily basis in over one hundred sports clubs operating in our city.

Combat sports have long enjoyed considerable popularity among the residents of Bielsko-Biała, with karate in particular holding a special place. We have achieved significant success in this discipline — not only in sporting terms, but also organizationally. After all, the Polish Karate Union is headquartered in Bielsko-Biała, and our sports and entertainment arena, named after Zbigniew Pietrzykowski — an outstanding representative of boxing, another combat sport — regularly hosts karate competitions.

It gives me great satisfaction that following last year's European Karate Championships for Cadets, Juniors, and Under 21, which we had the pleasure of hosting in our city, we will now have the opportunity to welcome young karate athletes from all over the world to Bielsko-Biała.

The scale of this event is reflected in the numbers — approximately two thousand competitors from over one hundred countries. This makes the World Karate Championships for Cadets, Juniors, and U21 athletes most likely the largest sporting event in the history of our city.

We are already the Polish Capital of Culture, and from October 14 to 18, we will also be — I have no doubt about it — the World Capital of Karate.

1.3. GREETING FROM PRESIDENT OF POLISH KARATE UNION

Ladies and Gentlemen,

On behalf of the Polish Karate Union, it is my great honor and pleasure to invite you to the 14th World Karate Championships for Cadets, Juniors, and U21, which will take place from 14 to 18 October 2026 in Bielsko-Biała, Poland.

This event is one of the most important youth karate competitions in the world. Organized under the auspices of the World Karate Federation (WKF), it will bring together the best young athletes, coaches, and officials from over 100 countries. The Championships are not only a competition for the highest sporting honors, but also a true celebration of karate — its passion, values, and spirit of international cooperation.

Bielsko-Biała is a city of exceptional tourist and cultural appeal — the first Polish Capital of Culture, a place open to art, dialogue, and events of an international character. Located at the foot of the Beskid Mountains, it combines a rich historical heritage with modern infrastructure, creating excellent conditions for hosting events of the highest rank.

It is also a city that actively supports the development of sport, having for many years invested in modern sports facilities, youth physical activity, and the organization of prestigious sporting events. Thanks to this commitment, Bielsko-Biała provides an ideal setting for world-class competition.

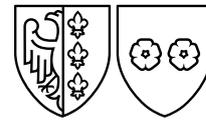

On the occasion of the Championships, we wish the athletes the very best performances and sporting success; the referees fair and accurate decisions; the coaches satisfaction and pride in their athletes' performances and results; and all karate enthusiasts unforgettable experiences and emotions.

I warmly invite you to take part in this exceptional event, to share in the excitement of world-class competition, and to discover the unique charm of a city where culture and sport go hand in hand.
