## 1. WELCOME MESSAGE

### 1.1 Greeting from the Head of EKF

The 2026 EKF Cadet, Junior & U21 Championships in Limassol, Cyprus, brings together the rising stars of European karate, young athletes who represent the future of our sport. Over the years, the EKF Cadet, Junior & U21 Championships have grown steadily in quality and reputation, becoming a key stage where talent, discipline, and sporting spirit shine.

The progress of karate among younger generations stands at the heart of both the EKF and WKF's mission. We believe that investing in our cadets, juniors, and under-21 athletes is the surest way to guarantee a bright future for karate worldwide. Events like this one in Limassol allow us to witness first-hand the passion and determination of young karatekas, who step onto the tatami with courage, respect, and excellence.

I would like to express my deepest gratitude to the Cyprus Karate Federation and its president, Mr. Fotis Marathovouniotis, for the commitment and vision shown in hosting this event and for placing Cyprus at the centre of international karate. Through courage and dedication, Cyprus has already proven its ability to deliver world-class karate events. After hosting Karate 1-Series A and Karate 1-Youth League events, and this very Championship in Larnaca in 2023 and in Limassol in 2016, the country now opens its doors once more for a new generation of karate talent.

I am confident that Limassol will provide the perfect stage for unforgettable performances and inspiring stories. May these days in Cyprus be filled with fair play, respect, and memorable moments that will remain with us long after the final bout. Welcome to Limassol, and welcome to the future of European karate.

**Antonio Espinós**

President

European and World Karate Federation

I wish all delegations an unforgettable experience in Cyprus, filled with sportsmanship, fair play, and lasting memories.
